HAND DELIVERED

The Honorable Owen M. Panner
Senior U.S. District Judge
U.S. District Court for the District of Oregon
James A. Redden U.S. Courthouse
310 West Sixth, Room 201
Medford, OR 97501

Re: *The Church of the Holy Light of the Queen, et al. v. Mukasey, et al.*,
Civil Case No. 08-03095-PA

Dear Judge Panner:

I have a correction and an urgent request for guidance to present:

1. In Saturday's letter to the Court I mistakenly assumed, and represented, that Dr. Ed MacRae is an American citizen. Wrong. He was born in England but is now a Brazilian citizen. Though it should make no difference since his testimony will be voluntary, I stand corrected and apologize.

2. The trial begins on January 21, 2009, which is in about two weeks. Our experts are coming in from all over the United States and have been unable to make reservations because when they testify has not been entirely clear up to this point. What we need to know is if the Court is setting two or three days for trial. The plaintiffs see no need to cross-examine any of the defendants' experts. We need to know if our witnesses fly in Tuesday that they can fly out Thursday night. If they get their reservations by tomorrow it will be a two-week in advance cost. If not, it will be a fortune for the flights. Thank you in advance for some guidance.

Respectfully submitted,

A handwritten signature in cursive script that reads 'Don H. Marmaduke'.
