Dear Mr. Haber,

The Oregon Board of Pharmacy has received the information provided to supplement your appearance before the Board at its November 8, 2000 meeting in Portland.

After review and discussion of this material, and having heard your presentation on November 8, it seems apparent to the Board that the sacramental use of the Santo Daime tea in the context of a bona fide religious ceremony by practitioners of the Santo Daime religion as described does not constitute abuse of a controlled substance.

Sincerely,

Gary A. Schnabel, RPh, RN
Executive Director
